

MEMBERSHIP DRIVE

To our exceptional audience members-

Thank you so much for expressing a desire to support our group through a financial donation.

As our group navigates through the challenges of the past year and a half, we are working toward a return of our full ensemble.

This goal will be met not only through the tireless work of our members, arts organizations and board, but by you, the audience.

Through your support before, now and into the future, we will return to the stage for our audience and members. Thank you so much for your support.

All my best-

Philip J. Briatico

Director & President
